FEC Letter dated October 28, 2005

Dear Ms. Jones:

We have reviewed the above referenced report and an addendum providing contributor information was included with the report.

Please be advised that the Democratic Senatorial Campaign Committee exercises "best efforts" in attempting to obtain contributor information such as full name, mailing address, occupation and employer. All the committee's solicitations and invitations request this required information. If there is incomplete information, a follow-up request is made in writing, within 30 days, with all the appropriate language and a self-addressed stamped envelope. As information is received, the donor database is updated. The Committee routinely includes with its regular filings a list of contributors with the additional employer/occupation information. This has been the standard policy of the Committee and the procedures have always been followed.

All occupation and employer information is provided by the contributor and is entered in the database exactly as provided by the contributor.
